AVOLITES PEARL 2008

The console Pearl 2008 combines strength and flexibility at very small dimensions. As with all Avolites consoles so the Pearl 2008 is designed for quick and easy programming and implementation. The Presets available to give ease and flexibility in many type options: pan, tilt, colour, gobo, etc. All the memories of the changes are automatically saved, allowing the user – programmer to create without fear of data loss.

Specifications:

- Internal Flash Drive, similar in functionality to a hard disk but faster and more rugged. Provides enough storage for the entire Fixture Library of more than 3,000 files or over a hundred show files.
- Removable external Memory Stick.
- Cache the entire Fixture library of more than 3,000 files
